

Jobs at the International Institute for Environment and Development (IIED)

Senior researcher

The International Institute for Environment and Development (IIED) is seeking a senior researcher, <https://jobs.iied.org/IIED/JobDescription/lo4JCfvdn8s> to help design and manage its action research programmes to strengthen the governance of land-based investments. The position is based with the Legal Tools Team, in IIED's Natural Resources Group. It is open to sponsorship and IIED encourages applications from the global South. The closing date for applications is Sunday, 12 September.

Coordinator

The Team is also recruiting a coordinator, <https://jobs.iied.org/IIED/JobDescription/2RFeQfpi9pE> an ideal role for a talented administrator who is comfortable working in English and French and is looking to apply their event support and financial administration experience in a sustainable development organisation. This post is UK-based and candidates are required to have the right to work in the UK prior to applying. The closing date for applications is **Sunday, 5 September**.
