

## QUICK GUIDE ON ACCESSING ARTICLES AND BOOKS FOR FREE

### 1. SCI-HUB (<https://sci-hub.se/>)

Simply paste the doi link into the search box shown in the image below and click “Open” and the paper will be unlocked.

To try it out, here are a few links you can get started with.

- a. From climate finance toward sustainable development finance  
<https://doi.org/10.1002/wcc.437>
- b. Too high a price? Tax treaties with investment hubs in Sub-Saharan Africa  
<https://doi.org/10.1007/s10797-020-09615-4>

Unfortunately, some articles might not get unlocked, but the website works for most.

### 2. Z-LIBRARY (<https://z-lib.org/>)

This tool is relatively easier and straightforward to use, plus you can get both fiction and non-fiction books as well! Simply search for the article you are looking for using the title, author, doi or journal (for articles) or the title, author, ISBN or publisher (for books) and relevant results will show up. Please note that some articles and books might be unavailable.
