**DEADLINE:** 29 May at midnight EDT

**Apply:** <http://bit.ly/3sF7P2d>

## Conditions

- A stipend of US\$1000 per month (as per the provisions of the UNDP Internship policy);
- All expenses connected with the internship will be borne by the intern, sponsoring government, or institutions;
- UNDP interns accrue leave at a rate of 1.5 days per month;
- During the internship period, interns are responsible for securing adequate medical insurance for the duration of their internship with the UNDP and must provide a medical certificate of good health before starting the internship. Any costs arising from accidents and illness incurred during an internship assignment will be the responsibility of the intern;
- The purpose of the Internship Programme is not to lead to further employment within the UN System but to complement an intern's studies. Therefore, there should be no expectation of employment at the end of an internship.
